KENYA RESIDENTS SPECIAL OFFERS

Welcome to the Ocean Tribe Dive Club. A club for those who share a passion for diving to make lifelong buddies and gain excellent discounts for diving throughout the year at Ocean Tribe.

Dive Club Membership Benefits

Members may join existing local boat dives, subject to availability at no extra cost.

1. Note: Resort and full paying guests will be prioritised over club members with regards to boat dive availability and/or schedules of Ocean Tribe dive guides.

2. Note: The 'free boat dive' offer is for local sites only, covering Diani dive sites and is not valid for outlying dive sites. Members are required to pay any marine entrance fees.

3. Note: For outlying dive sites members may join non-exclusive trips where there is a minimum of four full paying guests. If less than four full paying guests a payment of USD 50 plus 16% vat is split between the joining club members. Members are required to pay any marine entrance fees.

4. Note: In case no boat is scheduled and you wish to take a boat dive, members may avail of an exclusive boat if arranged at least one day in advance. Same day boat rental is also available, but not guaranteed subject to availability.

5..Note: For bookings 27th Dec-2nd Jan these must be requested directly with Ocean Tribe and not available for booking online. This is due to dive days often being closed for bookings at this time.

Exclusive Boat Hire or Rental

Members can organise dive trips through Ocean Tribe. We will provide emergency O2, first aid kits, tanks, weights and a boat. Members must pay any marine entrance fees. Prices are per boat and can hold up to eight divers.

Use of dive guide As licensed divers, membership does not include provision of dive guides. If you are a single diver not joining an existing group, or if the guide to diver ratio on a regularly scheduled boat dive has been exceeded (4 to 1) or you simply feel the need to have a dive master join you, a fee of USD \$10 will be charged per dive with a guide.
